

Welsh Masters Athletics Association

Notes for the website of the General Committee Meeting held on 24 October 2018 at Cardiff

Track & Field meetings

The Indoor meetings for 2018/19 were going to be held in conjunction with Cardiff Met and Welsh Athletics. Full details together with registration requirements would be published as soon as everything is finalised.

The planned Outdoor meetings for 2019 were approved for submission to Welsh Athletics. The proposed programme is: 24.4.19 Swansea, 15.5.19 Cardiff Met, 5.6.19 Wrexham, 12.6.19 Newport, 10.7.19 Aberdare; Championships Sunday 30 June at Brecon. As soon as everything was agreed, the final data would be put on the website.

Unfortunately due to a clash with a BMAF meeting, Mel James would not be able to attend the Welsh Athletics meeting at which the final programme were to be agreed. No-one else on the Committee was appointed by their club who could assist.

Cross Country and Road events

The detailed arrangements for the British and Irish Masters Cross Country International Meeting on 17 November were discussed. The teams had been chosen, but there were some technical hitches to be addressed. Unfortunately this date clashed with the Clubs Conference held in Cardiff on the same day.

BMAF

The BMAF was in the process of revising its constitution, and it would be writing to clubs shortly. The BMAF was also sponsoring a programme to train officials, and there would be more information soon.

Power of 10

Chris Pruski had been successful in getting Power of Ten to sort out the report for the Welsh Masters Outdoor Championships. The Committee was endeavouring to find a way to ensure this did not happen again where meetings were shared.

All athletes were asked to check their details on the BMAF website, and that their Welsh Masters club membership was recorded. In this way Welsh Masters' athletes would be properly accredited with their success.
